STAFF REPORT

TO: Local Option Review Team
FROM: Lottie Mitchell, Grant Coordinator
DATE: October 30, 2018
SUBJECT: Adjust Regular Meeting Time

Recommendation: Move to adjust regular meeting time for Local Option Review Team

Background: The Local Option Review Team currently meets the first Thursday of the month if an application has been received. New deadlines for submitting agenda items to the City Council have been imposed. In an effort to continue to provide efficient service to applicants, please consider adjusting the regular meeting time.

It is recommended that applications would be due by the 10th of each month and that the Local Option Review Team would meet the last Thursday of each month. This will allow time for staff to review the applications and publicize the committee meetings, committees to meet and review, and have the recommendations ready to take to the first City Council meeting of each month.

If no applications are received, then the committee will be notified that there is no meeting that month.

Local Option Development Plan Loan Fund or Economic Enhancement Fund

The purpose of the Local Option Development Plan Loan and Economic Enhancement Fund is to encourage population growth, new industries, and investment in the community. Funds are offered to businesses in the form of low or 0% interest loans and performance-based forgivable loans (grants), based upon creation of new jobs and investment in Fremont. Businesses must provide matching funds for the project.

Potential City uses include land improvements; public infrastructure; building acquisition and improvements; retail industry; service industry; other new industry; equipment, working capital, job training and buy-down leases for Primary Industry; equipment, job training, buy-down leases, land improvements, building acquisition and improvements and infrastructure for Non-primary Industry; and other economic development activities allowed by statute.

Eligible activities under the Economic Development Plan may include the following to attract new and existing business and industry development in Fremont.

- Land purchase/options
- Infrastructure to new or existing business and industry
- Site improvements
- Construction for new or existing business or industry or on a speculative basis

The matrix for the two programs include:

Interest Rate Qualification Criteria:

Jobs

Compensation	Interest Rate
> \$ 18.00/hour and benefits	0%
> \$ 16.00/hour and benefits	2%
< \$ 14.00/hour and benefits	4%
No benefits offered	6%

Benefits" = 50% of the cost of health insurance paid by the employer

Investment

City Participation	Interest Rate
<10%	0%
10% - 19.99%	2%
20% - 29%	4%
30% +	6%

Sales Tax

Based on the initial years taxable sales.

Taxable Sales	Interest Rate
>\$999,999	0%
\$500,000 - \$999,999	2%
\$250,000 - \$499,999	4%
\$50,000 - \$249,999	6%

Businesses will be given the benefit of the category under which they meet the requirements for the lowest interest rate. Based on staff discretion, up to a 2% reduction will be provided if multiple categories are met. The interest rate will never be less than 0%.

Loans will be structured as at-risk or performance based forgiveness. To qualify for a performance based forgiveness loan, the applicant must:

- Pay employees at 125% of the Dodge County average wage; and
- Have taxable investment greater than \$2.5 million dollars, or
- Have taxable sales greater than \$2.5 million dollars.

NOTE: Based on special circumstances, staff can make recommendations to the City council outside of these parameters.

To be considered for financial assistance, applicants must provide a completed application, including all applicable attachments. Return completed application to

3. Applicant hereby acknowledges that the Applicant is charged with the actual responsibility of preparing the Loan Package, and that the City's sole responsibility in connection with the preparation of the Loan Package shall be to consult with and advise the Applicant. The Applicant further acknowledges that the Applicant will be required to promptly and accurately supply financial information concerning the Project, the operation of Project, together with the manner, method and terms of financing the Project. Applicant further specifically acknowledges and agrees that the obtaining of a Local Option Development Plan Loan or Economic Enhancement Loan, or any other financing is dependent upon many factors that the City cannot control, including but not limited to economic factors and the decisions of the City Council, accordingly, the City does not guarantee that the Applicant will obtain financing for the Project. Applicant hereby covenants and agrees that City shall not be responsible, in any manner, or liable to the Applicant or any other person in the event that the Applicant is unable to obtain a Local Option

Development Plan Loan or Economic Enhancement Loan for the Project, or any other type of financing for the Project, whether from the City or any other governmental or public source, or from any private financing sources. Applicant also further covenants and agrees that the City shall not be liable for any of the debts or obligations incurred in and for the assistance of benefit of the Applicant. Applicant further agrees that Applicant will hold the City harmless, and pay all costs and expenses, including attorney's fees, in the event that any claim is made or lawsuit is filed by or against the City arising out of any transaction with or assistance to the Applicant which may in any way be connected with the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed, caused to be duly executed this Agreement, and have affixed or caused to be duly affixed hereto there seals, this 11 day of October, 2019.

505 Brewing Company Business Plan

Tim Gesell, Owner
Shawn Morrow, Owner/Head Brewer

Executive Summary

505 Brewing Company is a start-up microbrewery targeting the 505 Main Street building as its home in downtown Fremont, NE. We have a passion for great beer and seeing downtown markets flourish. Our vision is to be Fremont's brand, Nebraska's brewery. Our mission is to build off of the German beer purity law of water, malt, hops and yeast while adding three more critical ingredients: Art, passion, and community.

We plan to partner with a Lincoln, NE based brewing equipment manufacturer. This will bring the best equipment in the area to our brewery. This will allow us to offer the best in quality products. The byproduct and benefit of the brewing process is our grain can be given to local farmers for their livestock.

Our products will be our core brews, specialty/seasonal brews, guest taps from local breweries, Nebraska spirits, and wine. Our non-alcoholic offerings will be our own root beer and cream soda. We plan to offer food through a partnership with the restaurant on the main level or area food trucks.

Our plan in year one is to target local marketing and growth in our tap house along with local establishments. We want to build our brand in Fremont and engage the community to make our brewery theirs. In year two we plan on installing a canning line and branch out to distribution all around the state of Nebraska. The sky is the limit from there.

Products

505 Brewing Company will have four core brews:

- Saison – Belgian golden ale. Fruity, spicy flavor and aroma with a crisp finish.
- American IPA – American take on the traditional India pale ale. Hop forward, citrus flavor and aroma with a crisp dry finish
- Pale Ale – Well balanced, golden in color and steeped with American hops.
- Coffee Stout – Dark ale brewed with roasted malts and coffee. Rich, smooth and well balanced with hints of coffee and chocolate.

Specialty/seasonal brews

Root Beer and Cream Soda made in house

Other:

- Other local brewery guest handles
- Nebraska spirits
- Wine
- 505 Brewing Company apparel and logo product

Market Analysis Summary

Overall U.S. beer volume sales were down 1% in 2018, whereas craft brewer sales continued to grow through year end at a rate of 4% by volume, reaching 13.2% of the U.S. beer market by volume. Craft production grew the most for microbreweries. Retail dollar sales of craft increased 7%, up to \$27.6 billion, and now account for more than 24% of the \$114.2 billion U.S. beer market. Now three quarters of the way through 2019, projected at-the-brewery sales growth estimates are slated to close out the year at 13% (about 400,000 barrels), to as much as 3.5 million barrels in 2019. Of this total growth, 4.5% is due to new products released or launched in 2019.

Currently Fremont has over 26,000 people and is in close proximity to Omaha and Lincoln markets. This makes Fremont a prime location for market success.

Sales Strategy, marketing and Forecast

505 Brewing Company plans to establish itself to the local market by primarily focusing on tap room sales and growth in year one. We also plan to market and sell products to local establishments. Our focus will be on engaging the community and generate excitement over our brand to make it Fremont's own. We plan to get involved in as many activities and events around Fremont as possible. Creating an experience through our brewing and tap house.

Marketing will rely heavily on engagement with the Fremont business community and the Fremont public at large. Partnerships, special events, product sharing, product raffles, "Mug" clubs, limited releases and locally sourced ingredients and goods are at the heart of the outreach to both other local business and the community. Our plan will be to carry both a strong physical presence in the city and also rely heavily on digital outlets and social media. The goal is to draw both digital and physical traffic to our brand and to downtown.

Starting in year two we plan to install a new canning line and branch out further in to distribution. This will allow us to make a presence across Nebraska and beyond. The plan is to be available in local/regional bars as well as retail outlets, such as local markets and corner stores. We will also aim to distribute through supermarkets, but we envision getting shelf space in national supermarkets will be more difficult and more expensive.

The following is the sales forecast for the next three years.

Why a Brewery?

It creates a catalyst to generate excitement and downtown growth

- “Craft breweries are on an impressive upswing in Nebraska, contributing \$465 million annually to the state’s economy and contributing jobs at a faster clip than for the manufacturing sector as a whole. It is important to understand the contributions this growing business sector is making on the economy, community vitality and Nebraska tourism.”

- Source: Omaha World Herald

- Toppling Goliath - Beer Release Events: “The events are big business in Decorah, too. The brewery estimates its release events add about \$1 million to the local economy, including money spent at the brewery, and on food, gas, lodging, and other shopping.”

- Source: Des Moines Register

- Michael Sothan - Executive Director Main Street in Beatrice: “Our brewery has had a very positive impact. It has increased foot traffic, increased bike traffic, has spun off several new shops, and makes downtown more of a destination. It has provided for fun partnerships for us and them and fellow businesses. They have become a gathering places.”
